AÑO XXV • NUMERO 298 • NOVIEMBRE 1988 • 175 PESETAS

The background of the cover features a complex, abstract graphic design. It consists of several overlapping, glowing blue and white lines that form a series of concentric, curved paths. These lines create a sense of depth and movement, resembling a stylized representation of a globe or a network of connections. The overall effect is futuristic and dynamic, with the lines appearing to vibrate or pulse against the solid black background.
